

Thematic Network ECOLIFE II

ECO-efficient LIFE-cycle Technologies

From Products to Service Systems

N°GIRT-CT-2002-05066

RTD Projects Survey

For the Electr(on)ics and Automotive Industry

Please fill in and FAX to +43-(0)1-786 46 03 99

or mail to: steiner@ihrt.tuwien.ac.at

Project Title (Full title)	
Abbreviation (Short title)	
Reference number of Project (if funded)	
Funded by (Name of funding organisation)	
Geographical Region (Countries and regions involved)	
Type of project (e.g. joint research, basic research, applied research etc.)	
Timescale (from (ddmmyy) / to (ddmmyy))	
Budget (in EUR)	
Main objectives (in key words design, manufacturing & distribution, use & maintenance, recovery / end of life, Management,	

Please visit our web page for more information:
